

SHUBHAM SILYAN

FULL STACK WEB DEVELOPER

A front-end developer with entry-level experience specializing in web development, HTML, CS and JS. An enthusiastic fresher who is a self-starter and capable to use technical skills for the betterment of the organization. My Bachelor of Computer Applications has enhanced my ability to develop web applications, and I am looking forward to working in an environment where I can learn more about the industry.

PROJECTS

1. **Personal Portfolio** - shubhamsilyan.netlify.app
2. **Online Music Player through Browser** - Using Html, Css, JavaScript
3. **Student Management System** - Using C Language & File Handling.
